

A GREAT OPPORTUNITY!!

CONVERT LOBLAW ERROR TO FOOD BANK/FOOD VOUCHER WIN!

As you may have heard, Loblaw discovered that Canadians were overcharged for the cost of some packaged bread products in their stores and other grocery stores across Canada. In response, they are offering eligible customers a \$25 Loblaw Card, which can be used to purchase items sold in their grocery stores across Canada. Anyone over the age of 18 in Ontario who purchased any of 12 common bread brands at any of the Loblaw family of stores between Jan 1, 2002 and March 1, 2015 is eligible. The specific brands, stores and terms are detailed here: <https://www.loblawcard.ca/>

Those eligible may apply for a card before May 8, 2018 and, we have confirmed with Loblaw that, once received and activated, the cards can be donated to the Burlington Food Bank or to our Food Voucher program directly. The cards take 6-12 weeks to arrive. It should be noted that you WILL NOT receive a tax receipt for the donation of a card.

Elaine's Vision small group at Port Nelson has already embraced this opportunity and our cards are arriving. In order to encourage participation in this initiative, there will be someone with a laptop computer at coffee hour following church for the next four weeks who can assist interested members in applying for these cards. If you would like to apply for one of the cards from the privacy of your home you can do so at the link below. Look for the red "here" under How Do I Obtain A Card.
