

REKINDLE UPDATES

APRIL 15, 2018

PARKING LOT

The back area of the parking is now available for use.

COMMUNICATION WITH CONTRACTORS

The Project Management Team reminds everyone that if you have any concerns with the construction, construction related items or activity they should be forwarded to a member of the PMT not any contractor or sub-contractor.

ROOM NAMING

Following an open invitation to the congregation for participants, the Rekindle Renovation Project set up an ad hoc “room naming team”. The team of Susanne Zinkie, Jean Redgrave, Brian Duncombe, Rick Tucker, Tim Rayner, Michael Brooks and Stan Harvey has proposed the following room names:

- **“Roseland Community Hall”** for the large main level meeting space
- **“Gathering Place”** for the large open foyer space between the sanctuary and the large hall

This recommendation will be made to Council on April 18. If there are any concerns please identify them to any Council or naming team member or contact Stan Harvey at pnucrefit@hotmail.com by April 16th.
